With fuel bills on the rise and resources harder to find, it's a good time to share all the ways we can make what we have go further.

- 700 FREE Home Energy Audits and Energy Performance Certificates to give away from eaga ltd
- Find out about Eastleigh's new clean green car club Common Wheels and see the car
- Bring & take shop* – bring your unwanted quality goods and take away what you want
- Advice on energy saving measures, grants, non-profit loans and benefits
- Free environment film club
- 'Scrapstore' creative workshop
- Stands from the local Fairtrade organization, Greenpeace, Eastleigh Transition Group, Atlantic Housing and more
- Games, competitions, refreshments

*If you want to bring anything electrical it will need to be tested by us. Please ring Jane by 25 January.
