

## Southampton Cycle Campaign

MINUTES OF MEETING held 23 April 2013 at the Blue Keys Hotel, Northlands Road

**Present:** Jonathan Chant, Tim Wakely, Jim Probert, John Heath, David Thomas, Chris Jenkins, Lindsi Bluemel, Mike Charlton

**Apologies:** Peter, Tina, Liz, Grant, Chris

**1. Minutes of last meeting** – Agreed as correct. John made us aware that the new date of the Lordswood Lane meeting in Winch was the following day.

**2. Western Approach plans feedback** – Several members had attended a meeting with Rob Stanley (SCC) and recommended that the Campaign support the general thrust of the plans relating to a bid for monies for development of the Western Approach route. Mike C was instructed to write a letter of support (done).

**3. My Journey** – Jim and David gave feedback following the meeting at SCC. It was agreed that information would be circulated to enable others to access and modify this online information.

**4. Lovers Lane** – This was discussed briefly following the public consultation.

**5. Eastern Approach** – Although we have previously had a presentation on the plans for this scheme, the new lights at the W end of Itchen Bridge have been discussed in the Echo. Concerns were expressed. Lindsi revealed that she has discussed this with Ed Lait (Ed's letter on this subject was published in The Echo).

**6. Eastern Approach** – Public consultation has taken place.

**7. Bath Trip** – (Long) weekend ride out through the newly opened tunnels S of Bristol. See John for details.

**8. Website Update** – David gave an update of potential developments re the web site ... wiki, e-petitions. David to put out information.

**9. Test Valley BUG** – Jim reported on this, including cycle routes around Abbotswood and Rownhams.

**10. CTC Affiliate Membership** – Would this be beneficial? Mike to pursue and report back.

**Next meeting – AGM on Mon 13 May, 19.30 at the Friends Meeting House, Ordnance Road**

**Roger Geffen, CTC's Campaigns and Policy Director, will speak on the Road Justice Campaign**
